Performance Pouches

W1NNAS

Customer since 2024

Victorioso Nutrition develops and sells Performance Pouches to sports athletes - packed with natural, clinically tested ingredients. Their aim is to support peak performance and long-term health, helping athletes throughout their careers.

w1nnas.com

Jesse Wiebke

Head of Finance & Operations

"byrd provides reliable 3PL services and a great software. The dashboard is very clear and offers many helpful functions in a well-organized way. The creation of deliveries and the interface to Shopify works perfectly."
